

ORGANIC PANELA¹

NATURE'S AUTHENTIC SWEETNESS

Discover the authentic organic panela from EQFOOD, an exceptionally sweet and healthy product. Produced in the beautiful area of Pacto, Ecuador, our panela is the result of the collective work of a network of small farmers committed to organic agriculture. Each grain of panela reflects the purity and quality of sugarcane grown in harmony with nature. Enjoy its unique and delicious flavor while supporting local farmers and promoting a sustainable lifestyle.

We take pride in having organic certifications (USDA Organic) that endorse the quality and purity of our product. Our farmers follow rigorous organic standards at every stage of cultivation, while our packaging facility holds Good Manufacturing Practices (GMP) certifications.

These certifications ensure that our panela is sustainably grown without the use of chemicals, and that the entire packaging process meets the highest standards of hygiene and food safety. By choosing our certified organic panela, you enjoy a quality product supported by recognized certifications, promoting a healthy lifestyle.

We can fulfill orders up to 60 tons per month of ORGANIC RAW SUGAR CANE – PANELA , showcasing our scalability. We offer different packaging options, with or without branding, adapting to the needs of our clients. Our flexibility and variety of choices reflect our commitment to meet the specific demands of each customer and supporting their growth. Trust us to provide you with high-quality Organic panela, Organic Quinoa Flour and our exceptional service.
