

A top-down view of a leather workshop. The scene is set on a light-colored wooden table. Various tools and materials are scattered across the surface. On the left, there's a dark wooden block with a pair of black pliers and a coiled piece of light-colored thread. In the center, a spool of brown thread sits on a wooden board. To the right, a black leather strap with two holes is attached to a wooden board. Further right, a black leather strap is coiled. In the bottom right corner, there's a decorative, stylized floral pattern in a light blue color. The overall lighting is warm and natural, highlighting the textures of the wood and leather.
