## Hot Sauces

Quando me da la gana®

"When I Feel like it"

We are a Small and Medium Enterprises - SME, that elaborates hot sauces in an artisan way, using station products. Our brand's name comes from the irreverence of nature, which gives us the vegetables every season, "When nature feels like it" and we must wait for it to provide us without being able to do anything about it. But also is the perfect answer when you ask yourself: When can I have the pleasure to please myself with a healthy craving? Well, now you have the answer.

Vegetables and fruits are purchased directly from domestic producers in their farms. I am proud to work with costarican products that maintain the flavors and quality thanks to the artisan way in which I prepared them. At the end, it is reflected in our hot sauces, the work of many hands of costarican men and women... and the joyfull sentiment of its people.

Our hot sauces add spicy taste and flavor to all meals and are great to have on the table. ¡We turn ordinary dishes into extraordinary dishes!
