THE BLACK FLAG LAB

BLACK FLAG IS THE ACCOMPLISHMENT OF AN OLD DREAM: TO CREATE INCREDIBLE PRODUCTS, IN A SIMPLER WAY, WITHOUT CHEMICAL ADDITIVES AND WITHOUT INGREDIENTS TO INCREASE THE AMOUNT PRODUCED. OUR SAUCES ARE TRULY MADE FOR REAL PEOPLE. THEREFORE THEY ARE MADE IN THE FARM WHERE WE CULTIVATE AND TAKE CARE OF EVERY DETAIL OF THE PROCESS. THIS ALLIED TO OUR QUALIFICATION IN FOOD ENGINEERING AND THE EXPERIENCE OF THE THIRD GENERATION OF THE FAMILY, WHO WORKS DAILY ON THE FARM AND ALLOWS US TO ADD TECHNOLOGY TO THE EMPIRICAL KNOWLEDGE THAT ONLY TIME AND THE COUNTRYSIDE ARE TEACHING.

OUR PRODUCTS ARE MADE TO AGGREGATE TO YOUR DREAM, ENTERPRISE, DISHES AND HAPPY MOMENTS WITH YOUR FRIENDS AND FAMILY.

BEST REGARDS,

Mathews Monteiro de Barros

FOOD ENGINEER AND FOUNDER OF BLACK FLAG KITCHEN LAB
