Certification

Nutritional Information (100g)

Energy: 302 (kcal)	Proteins: 3,4 (g)
Total fat: 0,46 (g)	Carbohydrates: 79,5 (g)
Sodium: 0 (mg)	Cholesterol: 0 (mg)
Total sugar: 59,2 (g)	Trans fat: 0 (g)
Potassium: 746 (mg)	Dietary fiber: 4 (g)

Chemical Parameters

Humidity (%)	15% a 18%
--------------	-----------

Microbiological requirements

Aflatoxins :	Absence
Mouldy and yeast :	<1000 UFC/g
E.Coli :	Absence 10g
Salmonella :	Absence 25g
Listeria :	Absence 25 g
Coliform :	< 10 UFC/g

Storage

10°C +- 3° and 55% RH +- 5%, in a clean, cool, and dry place, away from strong odors, cereals, and other sources of contamination (vectors and insects)

Packaging

Primary packaging: High density polypropylene bag
Final packaging: Carton box
Net weight: 10 kg
Durability: 12 months
