

EL FRUTAL

CULTIVATE A BETTER WORLD

El Frutal is a company based in Manta, Ecuador. From its beginnings we decided to be different because of the direct and personalized customer service.

We provide a wide selection of natural products. At El Frutal, we are producers, and direct exporters, in that way we can assure that a fresh product will arrive at your destination.

Our top priority is the quality of the products. We deliver a variety of tropical fruits from our farm to any place of the world, with social and environmental responsibility procedures.
