

Market Entry Brazil ↔ European Union

Go-To-Market Strategies | Corporate Networking
Connecting Brazilian and European SMEs to new markets

About Us

At RBS Export Consulting, we help companies turn international expansion plans into concrete results. Our leadership has over three years' experience exporting services and opening markets for foreign companies.

Our strength lies in the ecosystem of expert technical partners with more than 20 years of experience ensuring companies greater speed of entry, risk reduction and sustainable results.

Our Solutions

Go-to-market strategies and market intelligence.

Network of specialist partners in key areas such as logistics, legal, tax and compliance.

Corporate matchmaking between clients and suppliers.
