

HOSPISCOPE

Get real-world data for real-world results to sell and market medtech more effectively:

- DETAILED DATA ON 19000+ HOSPITALS IN 18 COUNTRIES
- 160+ DATA POINTS PER HOSPITAL
- KEY INFORMATION ON EQUIPMENT COUNTS AND MEDICAL STAFF

Connecting to HospiScope is a **3D experience...**

#1. Depth

While your CRM is likely robust and full of great contacts, you probably don't have contacts for **over 19,000 hospitals.**

#2. Detail

Your CRM also doesn't have **extensive data on the equipment each hospital has**, not to mention accurate, recently updated numbers for:

- Infrastructure
- Technology
- Medical devices
- Personnel

#3. Display

Data is most useful when displayed quickly, easily and simply for the needs of sales and marketing.
