HK Enterprises, with a pedigree spanning three and half decades, has been serving the UAE food industry with world-class products in the frozen and non-frozen category. Today, we are one of the leading suppliers of a vast range of food products. The top-of-the-line brands are sourced globally, catering to the high standards and diverse needs of our esteemed clients.

The group's success is based on a team effort to provide our clients with the best service at the best price. Our volume purchases ensure we pass on the savings to our customers. Meanwhile, our logistics team and our own fleet of specialised vehicles ensure smooth and timely deliveries. Because when it comes to quality, there can be no compromise.

### Distributors of Global Food Brands in the UAE
