www.HLWorldwideLog.com

About Us:

HL Worldwide Logistics, Legally established as a Logistics dedicated company, started operations in 2007, by an expert team of Freight Forwarding professionals, with a long and successful verifiable experience in the Logistics Industry.

We count with a Head Quarter office in San Pedro Sula, Honduras, Central America, located 45 minutes far from the main Port, Puerto Cortes, Certified port of Central America by the USA customs; and the Ramon Villeda Morales (SAP) San Pedro Sula airport, 15 minutes far from the city limits.

We also count with **Operational Branch Offices** in the other 3 important cities of Honduras:

Puerto Cortes (PTC): Located on a privileged location, of the Americas The Certified mega-Port facilities and customs,

San Lorenzo (SNL): Located on the Pacific side.

Our office near by the TONCONTIN airport customs point (TGU), in Tegucigalpa, Honduras Capital City of the Country. All this makes of HL Worldwide Logistics your logistics company of choice.

HL Worldwide Logistics is committed to a total quality, **Honor** and **Loyalty** in the service management principles. Our policy is to provide a tailor-made logistics package to meet all of our client's needs.

We are specialized in Ocean, Air, trucking (Land transportation), rail and house customs brokerage services, both import and exports to and from anywhere in the globe, cargo insurance full coverage, warehousing and distributions services. We are blessed to count with a large list of vendors and a qualified staff of self-motivated executives and employees with a background of experience in the logistics chain of services that you can trust 24/7.

We created a service quality system in conjunction with our large international Network of Agents, to reconfirm the need to remain focused in our customer's requirements to accomplish with the reliable service and personalized attention expectations They have.

HL Worldwide Logistics has a wealth of successful track record in senior management in the international Freight Forwarding business.
