More information →

Real cases

This Handbook was built by fighting in the arena of the courts.

Reusable

You can take advantage of our production, adapting it to your needs.

Mexican law

Know in depth the winding path to defend human rights in the courts of Mexico.

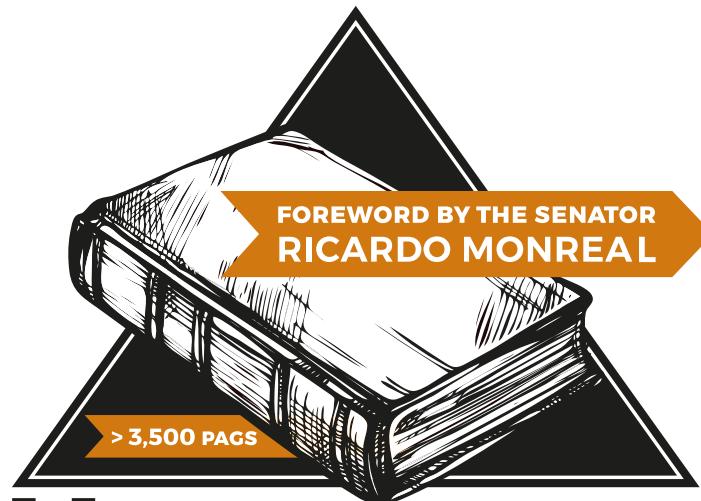

At international level

There are still hopes, even if national instances are exhausted: the UN or the IACtHR.

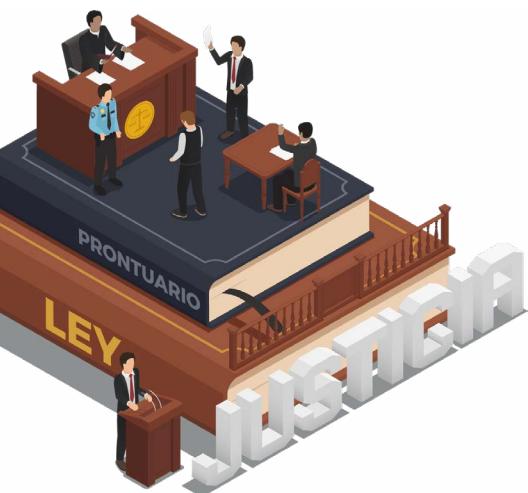

Success stories

Most of the procedures collected resulted in favorable sentences.

HANDBOOK OF THE AMPARO TRIAL IN ADMINISTRATIVE MATTERS AND OTHER EXTRAORDINARY MEANS OF DEFENSE OF HUMAN RIGHTS

It is not usual for a law firm to publish its legal production, with all its strengths and troubles. We think that the usual is not necessarily good, and that sharing knowledge is one of the strongest paths to the future.

Three international
defense resources

Eight national
legal procedures

This handbook was prepared with the intention that the lawyers become illustrious of these criteria that have been established on the occasion of the carried out trials, result of social and legal problems, so I express my appreciation for this great effort, wishing you success in all your professional activities, wishing that this information generated by the authors will be useful in your professional practice.

Senator Dr. Ricardo Monreal Ávila
President of the Political Coordination Board
of the Senate of the Republic

In this book of more than 3,500 pages we incorporate the **result of decades of legal work**, and it can be used by litigators and law firms to become familiar with **the different strategies and mechanisms of defense of human rights**, both nationally and internationally, through **real procedural documentation**, which can be **reused** in their own cases.
