DMB HK Ltd

DMB HK was established in 2014, offering sourcing and product sale services from Mainland China to other countries and regions. The company has earned the trust of its customers because of the quality of its products. It buys and sells goods for different industries such as electronics, toys, furniture, tools, machinery, footwear, medical supplies and others.

DMB HK looks to work with reputable suppliers in Mainland China, visiting, auditing and verifying their installation and production. It also supervises and inspects for quality control. The company aims to support and cater to the needs of its customers from customising products and warranties to offering logistics services for their goods.
