Who We Are

Our mission is to make available our 100 % natural top quality honey to the world.

4. Mexican White Honey

White Honey- 350gr.

- It comes from bees feeding on the white mesquite trees that litter the 6000ft high plains of the Mexican State.
- Mesquite is known as the "tree of life" Native American tribes have considered it a superfood for centuries to promote health and vitality. They use every part of the tree for food, medicine, fabric and flour.
- Pods of the mesquite tree have properties that regulate blood sugar, promote fat burning and smooth digestion.

4. Multiflora Blossom

Multiflora - 350gr.

- Our multiflora honey 100% natural has been carefully selected and harvested from the apiaries in the State of Mexico, your palate will be able to delight fruit, citrus, delicious and explosive notes that will make a unique experience.
- Our multiflora type retains all the original nutrients since it does not undergo any process, we bring honey from the hive to your table with authentic antibacterial and antimicrobial properties, what make it a good choice for wound and burn treatment, and even as an ingredient in face masks used as part of a skin care regimen.
- This type can help prevent seasonal allergies and it is quite effective in suppressing coughs.

4. Avocado Blossom

Avocado Blossom- 350gr.

- This is our five stars- gourmet honey that has a smooth flavor with a subtle hint of avocado.
- Our blossom is once a year and the honey is full of antioxidants, vitamins & minerals. It helps to prevent anemia, support the immune system, and it is auxiliary in the treatment of chronic health conditions ranging from cardiovascular and neurological diseases, to issues in the digestive tract, diabetes and even cancer.
- Use in cooking or as a beauty mask for your skin.
