# 1. INTRODUCTION

- ▶ Zandisile Ansah in 2019 decided to leave her job where she serve 11 years as Teller , Consultant and Branch Manager at Ithala Bank . I decided to be an example along side with my twin sister Zandile Cele who also leave her job at Absa Bank Branch Manager.
- ▶ We were moved by Youth coming in numbers in the bank looking for jobs and we saw that our people are suffering and we decide to resign and go and start farming business where we can create better jobs and skill development them to start their own businesses and feed the nation.
- ▶ We start farming with 10 hector's of land and our Kingship Council saw the dedication and commitment in our work they give us 100 hectors of land more to use and create more job opportunities.
- ▶ Now we have added new products a recyclable vegetable and fruits rich-nutrient liquid fertiliser and Bio char powder fertilizer.
