

OUR COMPANY

Combining tradition and innovation, we transform native fruits into unique, highly nutritious products, positioning ourselves as a benchmark for **sustainability and authenticity in the food sector and domestic bio-economic snacks.**

WHO ARE WE?

Founded with the aim of highlighting Amazonian socio-biodiversity, **Origens da Amazônia** operates in the healthy food and artisanal sweets market.

Our primary goal is to connect the consumer to the true flavor of the forest through a fair trade supply chain that supports local communities and promotes environmental conservation.
