MENDOZA

**Bodega La Soñada** is one of the ancient cellars of San Rafael, Mendoza, Argentina, destroyed in the 1976 earthquake and purchased, restored and re-founded by the family Barale in 2001. The Finca Martha wines come from grapes grown on this vineyard.

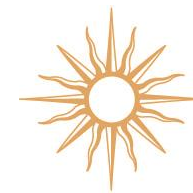

The family carries out the production of these wines slowly, lovingly and fundamentally with passion.

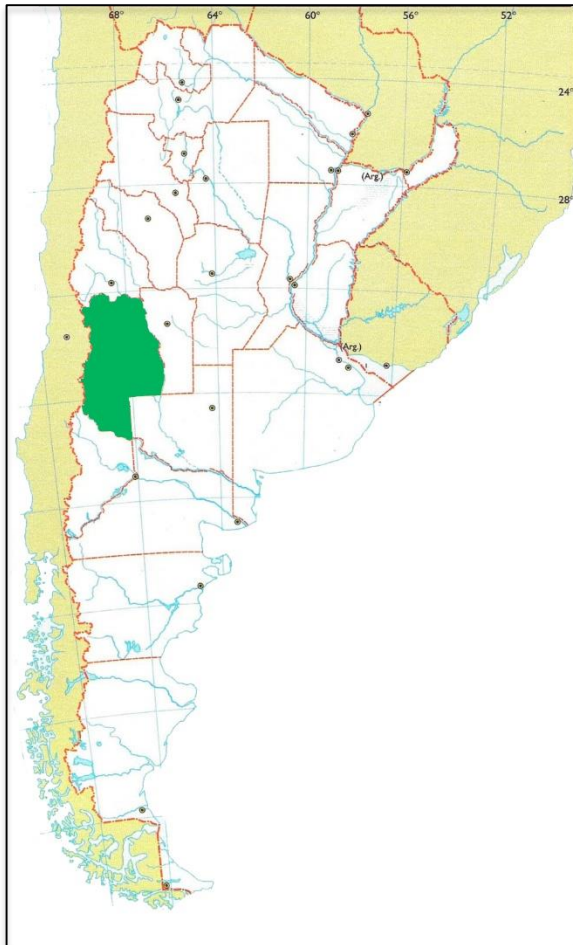

***Finca Martha wines are a tribute to the Marthas of the Barale family.***

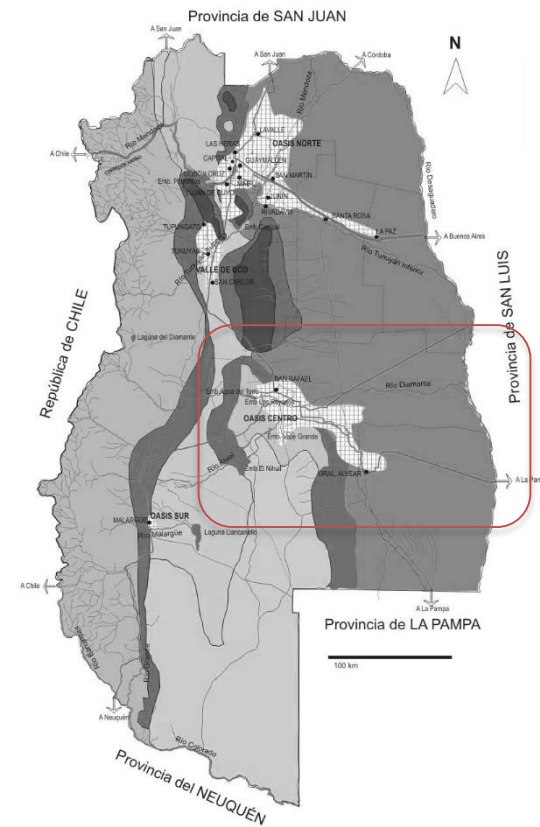

Loving women, but of great character and personality, that leave their mark in their wake. Unforgettable women, such as these wines of pure and genuine expression.

## SAN RAFAEL

San Rafael is an Oasis that is irrigated by the Atuel and the Diamante rivers, and par excellence, one of the wine regions for the production of premium wines of Argentina.

It is characterized by soils that are poor in organic matter, low rainfall and very low humidity, ideal conditions for healthy and quality grapes.

## THE VINEYARDS

The winery has 33 hectares of vineyards planted with Malbec, Cabernet Sauvignon, and Merlot.

Their vines are conducted by trellis system.

The vineyard is irrigated by furrow, with water coming from the Atuel river, and is protected by anti-hail mesh.

## THE WINERY

New technology was fundamental in the restyling of the wines. The winery has reconverted epoxy tanks, stainless steel tanks and French and American oak barrels.

The winery has a production capacity of 700,000 liters in small stainless steel and epoxy tanks, and a cava sector of 9.900 liters in oak casks.

## THE WINES

Finca Martha wines are characterized by its youth and fruitiness, that reflect the terroir and the expressiveness of the south of the province of Mendoza.

**“Freshness, attraction and personality are the characteristics these wines.”**
