

HEAVY DUTY

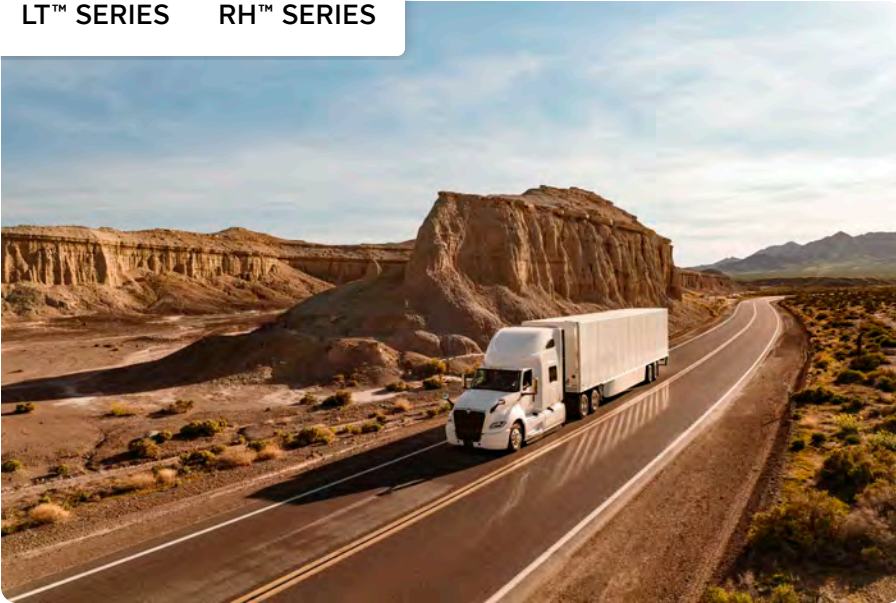

Bukkehave is your partner for providing trucks, vehicles and heavy equipment solutions.

Driven, tested and proven across various on-highway applications, our heavy-duty vehicles, including the International® LT® Series and RH™ Series, stand among the most durable, efficient and driver-focused trucks on the road.

LT™ SERIES

RH™ SERIES

LT™ SERIES

From comfort and control to uptime and efficiency, the LT Series is the vehicle made for drivers and for the long haul. Now available with our S13® Integrated Powertrain, the most fuel-efficient powertrain on the market, providing lower total cost of ownership and reduced emissions.

RH™ SERIES

A proven local and regional hauler, the RH Series is purpose-built for middle-mile and final-mile applications. A suite of intuitive driver modes, featuring an optimized turning radius, make it perfect for navigating tight corners and crowded spaces. Available exclusively with the S13 Integrated Powertrain.
