

SEVERE DUTY

Bukkehave is your partner for providing trucks, vehicles and heavy equipment solutions.

From concrete and construction to heavy haul and heavy wrecker, our severe-duty trucks are built to take on the most demanding jobs. Tremendous power and performance are balanced with precise maneuverability.

HV™ SERIES HX™ SERIES

HV™ SERIES

A galvanized steel cab, robust 1/2 inch thick single frame rails and a range of high-performance powertrains equip drivers with the muscle and versatility to power through any job that comes their way.

HV™ SERIES HX™ SERIES

HX® SERIES

Built to last from cab to chassis, the line-up features heavy duty axles, factory-installed and uprated lift axles that enhance stability and improve handling to carry the heaviest loads over the toughest terrains.
