Services Presentation. 2020

Our Services.

JobSolutions is a leading company with more than 15 years of experience in the market; this is the result from having implemented excellence and quality standards in their services, as well as offering nationwide services:

Recruiting and Headhunting

Through our strategic search system, specialized per industry, deep interview and evaluations, we select the most qualified applicants who satisfy the needs and expectations of a job, thus achieving to get a true talent into your company.

Personnel Management

Within this service, we assume the employer's responsibility for the personnel being managed, as well as payroll payment, social security, taxes and labor contingencies, which allows you to focus on your company's line of business.

Socioeconomic Studies and Labor Investigations

By means of both our specialized investigation and on a personal basis, we validate the veracity of any information provided by applicants, with the aim for your company to be able to make the best decision.

Recruitment And Headhunting.

Through a strategic search within your line of business, we get the best talent for your company, who is evaluated with diverse psychometric batteries and different interview techniques, which ensure us we will find the suitable applicant in accordance with your needs.

Cost: \$1000 Mexican Pesos
Price plus VAT

JobSolutions will e-mail or mail any studies requested, including the photograph(s) mentioned above, either in a digital or printed format.

Nationwide Labor Investigation.

Through a meticulous, professional investigation, our executives are in charge of determining if an applicant is recommendable or not, after verifying their information, by focusing on the following:

- **Labor History:** This is determined on the basis of Social Security records and each company's performance. Likewise, information is compared with the daily salary registered with each company's line of business where the applicant used to work.

- **Federal and Local Conciliation and Arbitration Meetings:** Verification of applicants not having being sued individually or jointly & severally.

- **Communication, Computing, Control and C4 Command:** Ensure applicants have no police records for federal offense, clandestine activities or violent political or union activism.

- **National Workers Housing Fund Institute** Verification of contributions and credit granted, also including accumulated salaries in the housing fund contribution subaccount.

Cost: \$950 Mexican Pesos
Price plus VAT

We wish to thank you for your attention to our services presentation. We do hope to be able to create a business relation in the near future and we trust in being able to assist your company with the quality and service you require.

Sincerely,

Daniel Tijerina E.
