PRODUCTS

KRISKAK INTERNATIONAL GROUP, acts as International Trader in commodity operations, known as Food and Beverages. These commodities are native to the region of South America, Argentina, Brazil, Colombia, Paraguay. The hard work and excellent human resources team managed by Oskar Morr and his direct working relationship with the producers of the region is a good combination of success in business.

KRISKAK INTERNATIONAL GROUP has signed agreements with Cooperatives to be represented in the International Market.

The stability of the economy where the company is installed, leads to having control of a great part of the region, benefits for the exit of products to the international market, added to the arduous experience in international trade.
