TÊXTEIS

# LANSUL®

Lansul is Paramount's machine knitting yarns division. Year after year, Lansul brings to the market the latest in colors, fibers and products in sync with international fashion trends.

With the final consumer always in mind, Lansul provides top quality and versatile yarns that fit the most diverse range of styles in knitted apparels.

**Paramount is 100% Brazilian**

**PARAMOUNT**  
TÊXTEIS

Our yarns are spun in two locations in Brazil. Both are ISO 9001 certified.

Santa Isabel is also our weaving plant, in which all our pure wool fabric is produced.

In Sapucaia do Sul, we also produce thick counts, for both machine and hand knit.
