CAL English Proficiency Test for Teachers (CAL EPT Teachers)

The CAL EPT Teachers measures the English language proficiency of nonnative English-speaking teachers in four skills (reading, writing, speaking, and listening). An informative score report summarizes the examinee's skills according to CEFR proficiency levels and provides further information to meet employment certification, funding, and reporting requirements.

CEFR Level Range:	A1-B2
Skills:	Reading, Writing, Listening, and Speaking
Test Format:	Paper-based and computer-mediated
Population:	English Teachers in EFL contexts
Approximate Test Length:	2 hours

Test Format

Section	Time	Description	Number of Items/Tasks
Reading	55 minutes	Paper-based reading passages	61
Writing	45 minutes	Paper-based writing tasks	4
Speaking/ Listening	15 minutes	Face-to-face computer-mediated interview	6-25 (computer-adaptive)

Scores/Results

Examinees receive an official score report that provides a global CEFR level and a CEFR level for each test section. Scores may also be interpreted through other local reporting systems.

Aprobación del Ministerio de Educación Nacional de Colombia bajo la:
