OUR TEA BLENDS

DETOX WITH CAFFEINE

It is ideal for those looking for an extra dose of energy. Its ingredients help speed up the metabolism, favoring fat burning. It has diuretic properties, contributes to the elimination of toxins, reducing swelling and acting as an excellent appetite suppressant.

Ingredients: Mint, Ginger, Lemon, Green mate, Green tea, Senna, Carqueja, Bilberry (Porangaba) and Horsetail (Cavalinha).

DETOX WOTHOUT CAFFEINE

It is our perfect detox to be consumed any time of the day. It has diuretic action, aids digestion, helps eliminate toxins, reduces swelling and assisting in weight loss.

Ingredients: Hibiscus, Mint, Grapefruit, Horsetail (Cavalinha) and Fennel (Pimpinela anisum L.).

DIGEST

It is ideal to be consumed after meals; or when you feel heavy stomach as it helps digestion, combats heartburn and bloating, as well as to be anti-inflammatory and antioxidant.

Ingredients: Pineapple, Mint, Fennel (Foeniculum vulgare Mill), Bilberry (Pneumus boldos Molina), Ságe (Salvia officinalis) and Fennel (Pimpinela Anisum L.).

K'ALMA

For the hours when you need to relax and relieve the stress of the day to day. Excellent to be consumed at night because its formula contains herbs that can contribute to the quality of your sleep.

Ingredients: Chamomile, Lemongrass, Fennel (Pimpinela Anisum L.), Melissa (Melissa officinalis plant) and Passiofruit.

WHAT CUSTOMERS SAY ABOUT LEV?

"Super light and tasty tea! The detox tea without caffeine has already become my daily darling .. A delight and great to have a healthy life!"

Natacha Hubner

"Experience of someone who became a tea lover after knowing the ser-lev. I started with the caffeine detox line that provided me with extra energy during the day, and then I acquired the digest line with ideal properties after meals. Be lev already became part of my daily life and even brought the whole family to this routine. Next step is to acquire the K'alma line that promises to relax and relieve everyday stress!"

Paolla Carneiro

"My experience with be-lev teas was surprising. I acquired the detox line with and without caffeine. Besides being functional, they are delicious! I'm not without it! Now I want to try the other 2 lines: digest and k'alma, which have other benefits. Ahhh without counting on the practicality at the time of purchase, even with the points of sale I ended up adhering my teas through their website. Arrive in very few days !!! Super recommend!☺👍"

Adriana Fonseca

"My family and I have always used to drink tea; I came across this news from Lev and decided to try it out. I really liked it, I took it for them to try it and it was a success! We take K.alma every night, and I recommend it! Congratulations!#sejalev"

DO LEV TEAS WORK?

YES! Several national and international studies prove the effectiveness of the ingredients present in the composition of EXCLUSIVE FORMULAS developed for each specific benefit to the human body, such as in diuretic properties, thermogenic action, fat burning, elimination of toxins, reduction of swelling, aid in food digestion, inhibition of appetite, even the fight against stress, increased tranquility and better quality of rest.

FOR WHO LEV TEAS ARE INDICATED?

LEV teas are suitable for people who want to include a healthy habit in their day, have more energy and willingness to perform daily activities and improve health in general, thanks to the 100% natural compositions of herbal blends.

They are also recommended for those who want to improve their weight loss results naturally, without needing miracle diets or starving during weight loss.

WHO CAN DRINK LEV TEAS?

LEV teas have no side effects or contraindications. However, the use of the product by pregnant women, lactating women, under 18 years old, people with hypertension or diabetes should be monitored by a responsible doctor or nutritionist. Because they are products with diuretic actions, that is, they help to speed up the metabolism, when excessive consumption is done close to rest times, it can interfere with the quality of sleep.

In order to have full results, the ideal is to make the consumption according to the recommendations contained in the product packaging itself. LEV teas are natural products and exempt from registration with ANVISA, according to Resolution RDC n°. 240/2018.

ARE LEV TEAS APPROVED BY NUTRITIONISTS?

YES! The tea bags of the herbal mix of each formula contain 90g and each ingredient was selected because of its benefits proven by nutritionists. It is not by chance that the effects of eliminating toxins and reducing swelling are achieved with well-being and health.

LEV partners with nutritionists, beauty clinics, sports events and healthy eating fairs.
