

SINCE 1988, WE SOW THE ROOTS OF FRESHNESS!

Two generations **tradition & love** in the fields

-  High **social commitment**
-  **Quality & Food Safety** as a priority
-  Responsible **agricultural practices**
-  Growing, packing and distributing **all year round**
-  100% Colombian **freshness**
-  Strong focus on **service excellence**

FOOD SAFETY

We understand Food safety as a **priority** guideline.

We have built an integrated system of continuous quality assurance and full traceability. We strive to follow the best practices and we are committed to quality and food safety international regulations.
