Latin Mund Global S.A. is a private limited company in Panama registered and incorporated since 2017 by Rodrigo Castillo and Gileno Araujo.

Since our early days we established successful connections between the Asian culture and the Latin American culture, doing many trading business between China, Brazil, Mexico and Panama.

Latin Mund Global S.A. start with the manufacture of textiles, serving as intermediary company between the Latin American buyers and the Chinese suppliers, with over 200 containers sold of popular textile selection such as: Polyester, Nylon, Lace, Cotton, etc.

In the search for new challenges Latin Mund Global S.A. start taking advantages of his contacts in Panama, and was one of the supplier of political campaign items for the new president of the country Laurentino Cortizo (2019-2024).

With the goal to be a bridge between cultures Latin Mund Global S.A. also served as a consultant to help benefit the diplomatic relationship between China and Panama, and helped established Chinese companies in Panama such as CRCC (china railway construction corporation) and CCC (china construction corporation).

Latin Mund Global S.A. is currently into a diversification stage in which we are establishing the operation of trading commodities and the development in real state in Panama.
