CONTACT US

ME Foods LLC Privately owned, fast growing food distribution company in UAE. Founded in 2016 with the aim to be one stop shop for Food Service channel. We source from more than 14 countries in the world to distribute in UAE and export to most of the GCC counties.

Vision

Integrity: We will be ethical and trustworthy. Strive to be fair, honest, professional and open with our employees, customers and vendors, and endeavor to earn their respect.

Customer Satisfaction: Our customers are our best references, and our name is synonymous with excellent products and service. We expect to consistently provide a high-quality product at a fair price. We are committed to the highest standards with our customers, vendors, products and services.

Growth and Learning: We will be a place for opportunity and growth. We will create a safe and productive environment where everyone can express their vision and fully utilize their talents. We trust our employees to clearly and efficiently communicate their ideas and goals.

Leadership: We will encourage our employees to become leaders professionally and personally. We are innovators and will set standards in our industry. We will be leaders, not to be led, and will be a place where everyone can grow from good to great.

Mission

Customers: To provide the best quality products and highest standard of service.

Partners: A sustainable growth and long term business relationship.

Employees: To provide a healthy working environment where they can grow and build up their career.
