Unifying <u>All</u> Dimensions

About M-Theory

We are an IT Managed Services Provider that uses cutting edge technology to empower businesses and streamline operations. We help organizations acquire, learn and implement the latest tools to enable sustained growth.

What We Do

Managed Services Provider
M-Theory's expert technology staff will design and scale your IT environment to optimize productivity and maximize security.

Cybersecurity
M-Theory has a full-service SOC (Security Operations Center) with 24x7 Vulnerability Management and Incident response.

Unified Cloud Technology
Our managed cloud services handle fully cloud and hybridized environments ensuring a streamlined network with seamless workflow.

Technology For Education
We Provide services for remote and on-site learning with the latest software tools, hands-on support, and a passion for enabling Schools and Universities to optimize the learning experience.

Infrastructure as a Service
Premier data center with industry leading hardware and connectivity solutions. Flexible, fully managed 24x7 services.

Productivity
Bringing efficiency to your day-to-day workflow with managed VoIP, custom SharePoint environments, enterprise grade security and compliance services.
