

Quality in the commercialization of your products

About Us

Metalref S.A.S is a company located in Colombian territory, dedicated to working with quality products produced in the same country.

Colombia is one of the main countries in Latin America that exports fruits and different mining products, it stands out for the quality and price of its products. We offer a service with competitive prices and the support of a staff with experience of more than 30 years in the foreign trade sector.

The products offered originate from technified farms with certified suppliers, to guarantee their export quality.

Our ports of departure are:

SANTA MARTA - BARRANQUILLA - CARTAGENA.

How we work with our clients

Mission

To offer the best service in the commercialization of representative products of Colombia at a competitive price, guaranteeing quality throughout the process and achieving customer satisfaction. We are committed to the development of the country from the social, environmental and economic fields.

Vision

To be a national and international well recognized company in the commercialization of fruits, vegetables, metals and mining products, that meets customer expectations and achieves satisfaction in terms of prices and product quality. It is our commitment to ensure the continuous improvement of the company that guarantees the well-being of our clients and collaborators.

Corporate Values

- **Responsibility:** We are capable of sensibly assuming each entrusted work, focused on the best results.
- **Commitment:** It is our duty to act with integrity from the hand of clients and collaborators to achieve the objective.
- **Transparency:** Process management allows clear, truthful and available information, thus facilitating effective control.
- **Customer orientation:** Bringing all our experience to satisfy customer needs is our priority.
- **Quality:** We constantly work on the continuous improvement of our processes and services to offer greater benefits to customers.
