CARE AND CLEANING OF LEATHER

- Avoid contact with: any material that can transfer color to leather and from liquid, hand cream, hand sanitizer, makeup and perfume.

- Keep leather away from sources of heat and humidity and from water. In case of wetting on the surface, dry with a lint-free cloth, light colored, absorbent. Never use soap or solvent.

- Avoid exposure to sunlight as the colors of your article may fade.

- Due to the nature of high-end leather, the surface will scratch and burnish over time. A beauty when new, this item becomes even more amazing with age.
