ABOUT NATIONAL HERBS

National Herbs is a trading Egyptian company, based in El-Fayoum.

As a family business, we, all the members of the family working as a team, side by side to get our clients, from all over the world the products from each and every fertile field in the Egyptian lands. Our goal is to deliver the best Egyptian handpicked products to the rest of the world and to meet our success partners highest expectations.

OUR MISSION

- Plant & Medication.
- The Herbal plants offer precious raw materials that we process to be a convenience for manufacturing medicinal.
- Controlled cultivation and careful processing under compliance with strict criteria, to preserve the healing power of nature.

WHY CHOOSE US?

QUALITY ASSURANCE

We provide reliable product quality with over 15 years of experience in the industry, thanks to our global network of approved suppliers, our own production facilities and our consistent quality assurance.

PARTNERING WITH US

As an owner-operated company, we can provide our customers most favorable conditions. Dealing with us is direct, so we can provide you with the best quality at the lowest price.

OUR EXPERIENCE

NATIONAL HERBS Egypt Started in 2010 as a local supplier, but nowadays our company is one of the best supplier companies for export herbs, spices, seeds and grains in Egypt.

STOCK OF GOODS

The stock kept in our warehouses in El-Fayoum is one of the largest and highest quality on the whole continent – so we can handle deliveries on demand and spot business with ease.

COMPETITIVE PRICES

A company's best advantage should be a quality product offered at the right price. That is what drives innovation. We've done both. We can raise the quality and still have right prices.

WORLDWIDE DELIVERY

We target markets all over the world, and will strive to send your order within 10 to 15 days of signing the contract. We have ample stock of products, thus saving time required for dispatch. Delivery is faster.

OUR VISION

- Become a leader in our industry and a major player in each of our market segments and key geographical market.
- Create a long term vision for growth to ensure the viability of our business service.
- Ensure long term relationship with our customers.

OUR VALUES

- Quality
- Honesty
- Efficiency
- Responsibility
