THE BERTOLINI GROUP

Quality, technology and reliability: these have been the basis for the Bertolini Group for more than five decades and have led to its success in various sectors of the market. The history of the Group began on August 25th, 1969, when the brothers, Walter, Rui, Raul, Henrique and Antônio founded a metalworks in the southern city of Bento Gonçalves.

The business flourished and today, Bertolini has established itself in six different markets: Bertolini Móveis (Furniture, founded in 1977), Bertolini Sistemas de Armazenagem (Storage Systems, 1984), Evviva (fitted furniture, founded in 2002), Logber Logística (Logistics, 2011), Bertolini Soluções em Aço (Steel Tubing, 2011) and Save Space (space- saving furniture, 2020).

Bertolini is one of the major companies of Rio Grande do Sul, which operates across the country as well as overseas. It has operational facilities in the states of Rio Grande do Sul, Espírito Santo and Pernambuco. As well as factories and offices throughout Brazil. Bertolini also has business units in the United States, Mexico and Colombia, totaling over 1000 direct employees.

The Bertolini Group has believed in a policy of showing appreciation to people, having respect for the environment and never doubting its ability in innovation and business, while always looking to retain the respect and satisfaction of its customers. The Group believes that the combination of these principles has been fundamental in ensuring the continuity of the business and will remain so as it moves on into a future where there will be even more opportunities for expansion and growth.
