MISSION

Operate safely and profitably in the manufacture and sale of ingredients for animal nutrition, providing products and services suited to the needs of customers.

VISION

Be recognized nationwide in the animal nutrition market, always seeking sustainable growth and solutions that contribute to the development of agribusiness.

PRINCIPLES

Customer satisfaction and preference:

We understand that the customer is our true boss. We seek to build long-term relationships, acting with integrity and commitment, always focused on customer satisfaction;

Entrepreneurship and continuous improvement:

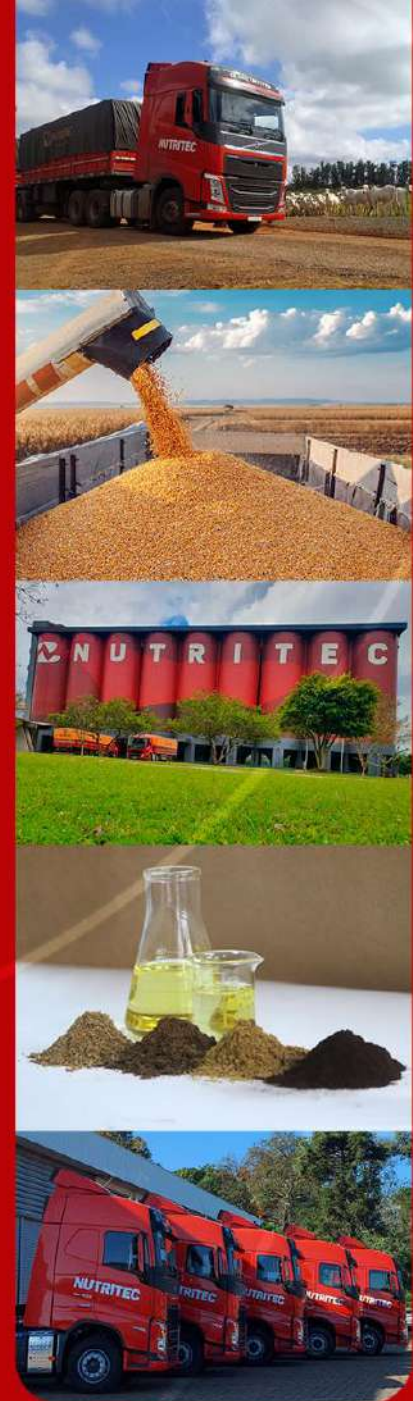

We are watchful to market changes, knowing that behind adversity there is always an opportunity. Our capacity for continuous improvement, both in processes and products, fuels our success;

Excellence with simplicity:

We strive to achieve excellence in everything we do. We work with objectivity and simplicity, rolling up our sleeves and breathing our business;

Profitability and sustainability:

We manage our resources rigorously and sustainably, with a clear objective of producing more with less. We seek profit as a way to perpetuate our business for future generations.

ANIMAL NUTRITION

ANIMAL ORIGIN INGREDIENTS

(meals, oils and greases).

VEGETABLE ORIGIN INGREDIENTS

(grains, bran, husks and vegetable oils).

Products certified by the Federal Inspection System (SIF).

Advantages of using NUTRITEC products as ingredients for animal feed:

- ✓ Main source of vegetable and animal protein;
- ✓ Rich in minerals (Phosphorus and Calcium);
- ✓ Source of essential amino acids;
- ✓ Excellent cost x benefit;
- ✓ noble nutrients;
- ✓ Uniform product.

We value a personalized service for customers, with agility and excellence.
