

GARIN INTERNATIONAL SAS BIC is a Colombian company dedicated to the export of fresh cut flowers and foliage. We have qualified personnel with more than 20 years of experience in International Trade. Our main products are Chrysanthemums, Carnations, Hydrangeas, Roses, Callas, Alstroemeria, Gypsophila and foliage.

Currently we carry out continuous exports to the United States, Canada, Guatemala, Mexico and Spain.

We also have strategic allies in Ecuador with whom we complement existing international trade operations.
