

**COMPANY
PROFILE**

ABOUT US

OXYBRASIL, is a company specialized in intermediation and management of contracts and commercialization of Commodities. We were born in 2014 with the main objective of integrating buyers and sellers in a transparent and simplified way, in this spirit we achieve the best results with excellence in the completion of our business.

The basic premise of our company is "Stakeholder Management" (PMBOK). Just because we understands that all stages of the purchase process and mainly of sale, must obey its strategic procedures, be they operational, logistic or legal.

With this strategic positioning, we provide:

- **Greater autonomy;**
- **Achievement of Goals;**
- **Excellence of result.**

BUSINESS PARTNERSHIP

As a business strategy, we seek to balance the union of interests in common, broadened and strengthening the final result.

For this, today our company has a strong and direct alliance with suppliers and producers of quality, with capacity and competence to execute great business, in addition our company also counts on a wide global network of business representatives representatives.

We are present in several countries facilitating strategically in the demands and offers of our products and service to our clients,

Our work has provided excellent results and making our clients get their best results and our products are publicized and known by the world.

VISION

"To be a strong company with a bold growth to meet with transparency and in an ethical way all the customers, offering products of quality and optimal origin."

MISSION

"Ensure the best result and experience for all our customers, with each of our products."

VALUES

"Customer satisfaction, it is the reason of the existence of any business. To value and respect people, people are the great differential that makes everything possible. "

WHY DO BUSINESS WITH OXYBRASIL?

Brazil has become the third largest exporter of agricultural products in the world.

Imagine centering your orders on a specialized company that has extensive market knowledge of Commodities.

OXYBRASIL makes all this process of intermediation between Seller and Buyer, fulfilling all the steps with total criteria, security and credibility for both parties, with ethics and transparency, optimizing time and result for the client.

SUPPLIERS

The choice of suppliers is a fundamental part and it is a task that requires a lot of criteria and training.

OXYBRASIL periodically certifies and revalidates its suppliers, since all our suppliers need to be strictly adjusted to the sanitary requirements and standards of the market in order to attend to the highest quality our customers.

Our main concern is to find partners to meet these 3 basic items:

- *Fair price*
- *Deadline*
- *Quality*
