## ABOUT US

## WHO WE ARE

Belize Virtual Center Ltd. first launched back in November of 2013 and ever since we are classified as a value-added services company that aims to continue being one of the leading virtual staffing providers in Belize's BPO industry.

Our team is made up of enthusiastic professionals with backgrounds in many different industries. Our community of team members includes trainable professionals with a wide variety of different skills and expertise who strive to bring results and help you grow your business.
