

OCA

PORTFOLIO

ONLY HEALTHY FOODS

The world is our OCA.

Do you know what OCA means?

OCA is where Native Brazilian people live. It is their house, made of 100 per cent natural and sustainable products. The way they live inspires us to spread natural and healthy foods from Brazil to the world.

Who we are?

OCA is a commercial export company focused on selling exclusive packaged healthy food products from Brazil.

We offer a wide range of high-quality consumer packaged goods, but all with the main purpose of being Healthy, Low Processing and Sustainable. They respect the body and the environment.

You can have a perfect solution in Healthy Foods for your Retail, Food Service, Industry or even your Private Label.

Free From, Good Fats, Plant Based, Organic, Natural products.

We represent all the best brands from Brazil to the world.

Let's go OCA!
