POWER SNACKS PLANTAIN CHIPS

Santana Organic Industries (SOIN) is an Ecuadorian enterprise with a legal presence established in the State of Arizona, United States. The company is dedicated to the commercialization and export of high-quality, 100% natural products. We collaborate with small producers, rural communities, indigenous groups, family businesses, and associations of entrepreneurial women.

Our Power Snacks brand is proud to hold Ecuadorian sanitary permits and an FDA license, ensuring compliance with international quality standards for marketability.

Our product range includes sea salt, sweet, spicy hot, and garlic plantain snacks, crafted to delight the palates of our customers!

Located in Guayaquil, one of Ecuador's most productive and commercial cities on the coast, our processing plant is responsible for selecting and processing the finest green, sweet, spicy hot, and garlic plantain chips in the country.

The use of premium-quality and natural ingredients in the manufacturing of Power Snacks enables us to produce 47,500 kg (5 containers of 40ft) of 100% natural snacks per week. With adaptable facilities, we can meet the demands of our customers and increase our production to 94,000 kg per week (10 containers of 40ft).

At Power Snacks, our mission is to delight customers with nutritious, high-quality food products. We stand by our commitment to not use preservatives, dyes, or artificial flavors, and guarantee that our products are GMO-free, ensuring a healthy and wholesome dining experience.

Moreover, we are proud to announce that we hold Kosher certification. Kosher certification ensures that our products comply with Jewish dietary laws. This certification underscores our commitment to delivering products that meet the highest standards of quality and adherence to cultural dietary guidelines.

A taste of Joy!
