

WELCOME ! WE ARE ONVIT !

ONVIT. FRENCH WORD MEANING "WE LIVED". SINCE 2015, ONVIT HAS BEEN ENABLING US TO MAKE OUR DREAM TO CREATE RICH, HEALTHY PRODUCTS, FULL OF LIFE COME TRUE. WE ARE A 100%-BRAZILIAN COMPANY AND OUR TEAM IS PASSION- AND DEDICATION-DRIVEN. ALL THAT TOWARDS ENSURING A QUALITY PRODUCTION FOR THE CASHEW NUT, A FOOD THAT IS RICH IN PROTEIN, VITAMINS, MINERALS, AND FLAVOR.

OVER 16K M² IN STRUCTURE

INSIDE OVER 16K SQUARE METERS, WE PRODUCE OVER 2.5 MILLION KILOGRAMS A YEAR, PROVIDING FOR HUNDREDS OF EMPLOYMENT OPPORTUNITIES, BOTH DIRECT AND INDIRECT. IN ORDER TO ENSURE OUR PRODUCTS WILL BE DELIVERED FRESH TO THEIR DESTINATIONS, WE USE SPECIAL PACKAGING AND BOTTLING TECHNIQUES, ENSURING MORE FLAVOR AND CRISPNESS TO THE PRODUCTS, WITHOUT THE REQUIREMENT ADDITION OF ANY PRESERVATIVES OR ADDITIVES.

WHERE ARE WE HEADING TO?

CEARÁ IS A PRIVILEGED GEOGRAPHICAL LOCATION AND OUR PLANT MAKES USE OF IT. IN 2017, WE STARTED-UP OUR NEW INDUSTRIAL PLANT, IN THE MUNICIPALITY OF AQUIRAZ, THUS, BEING NEAR TWO CRITICAL PORTS: 30 KILOMETERS AWAY FROM THE PORT OF MUCURIBE AND 80 KILOMETERS AWAY FROM THE PORT OF PECÉM, REPRESENTING REDUCED TRAVELING TIME TO THREE CONTINENTS: NORTH AMERICA, AFRICA, AND EUROPE.

HIGH QUALITY IS OUR MISSION

HERE, AT ONVIT, OUR PROCESSES ARE CLEAN, EVERYTHING IS USED AND NOTHING IS WASTED: THE SHELL IS USED AS SOURCE OF ENERGY; OIL TAKEN FROM THE SHELL IS EXPORTED; THE WASTE ALMONDS ARE TRANSFORMED IN THE ANIMAL FOOD AND THE PROCESS WATER IS TREATED AND REUSED, IN ADDITION TO MAKING USE OF THE RAINFALL WATER.

WE CARE FOR QUALITY, ADOPTING STRICT INSPECTION, SELECTION, AND PRODUCTION PROCESSES, MEETING THE GOOD MANUFACTURING PRACTICES AND FOLLOWING THE STRICT SAFETY CONTROLS IN ALL STAGES. IN ORDER TO COMPLETE, WE ALSO CONDUCT TRACKING FROM THE FARM TO OUR CUSTOMERS. OUR NUTS ARE FREE FROM TRANSGENICS, AS WELL AS STRICTLY SELECTED AND RATED.
