

COMPANY PROFILE

People ready. Documents aligned. Movement delivered.

A specialist personnel-mobility partner for Guyana's oil and gas sector, coordinating crew change, immigration and executive transport through one local point of control.

GUYANA • 2026

A HABIT OF EXCELLENCE

Personnel movement should feel controlled—even when the operation is complex.

PleXus Inc. provides one local point of coordination for the people, documents, transport and operational handoffs required to mobilize expatriates, crews, executives and technical teams into and across Guyana.

CREW CHANGE

Arrival, transfer, handoff and departure coordination.

IMMIGRATION

Work permit and expatriate-document support.

MOBILITY

Professional ground transport and executive movement.

From international arrival to operational handoff.

ARRIVE

Flight and traveller details confirmed.

MEET

Airport reception and contact established.

TRANSFER

Move to hotel, shore base or approved location.

HAND OFF

Personnel delivered to the designated operational point.

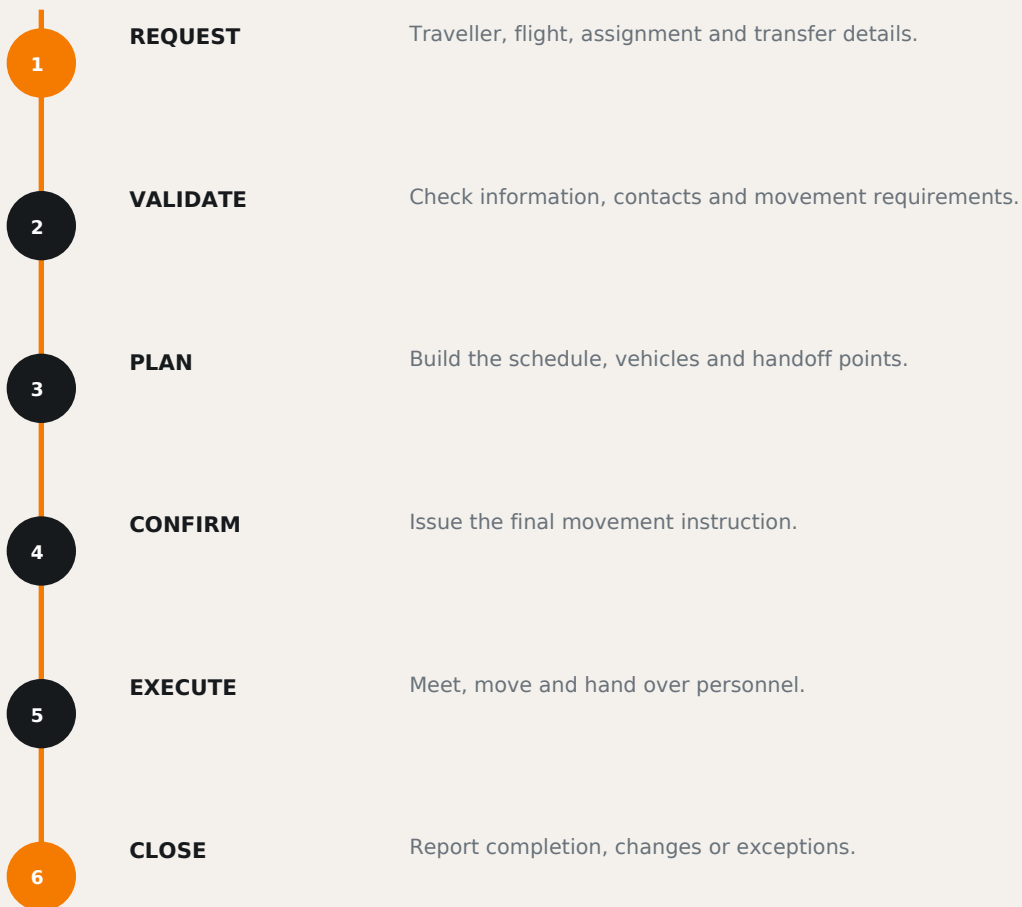

ROTATE

Outbound movement planned and completed.

Every movement is built around confirmed instructions, named contacts and time-critical operational handoffs.

Six controls behind every successful movement.

Work permit and expa triate support

Structured coordination for
personnel entering Guyana to
work.
