Instant tradition

pozolazo

Pozolazo is an instant soup that is part of a Mexican traditional recipe. A homemade “pozole rojo” without any additives, that complies with food safety standards through a strict quality protocol that follows TIF and USDA rules.

An innovative solution to the lack of nutritious products in store shelves.

Pozolazo is a product that protects the nutritional value, natural color, aroma and flavor of a homemade recipe, with the quality demanded by the food industry.

FLAVORS

In addition to the traditional flavors, we wanted to include the main character in the Mexican gastronomy, the hot pepper. Concentrating in such which are most consumed by the Mexican and Latin population.

TRADITIONAL

HABANERO

PIQUIN

CHIPOTLE

Always keeping the original formula in the content without any added agents, with the ingredients carefully selected from the farms that comply with the strictest quality controls.

PACKAGING

Pozolazo has an ecologic packaging that cares about the reduction in the use of plastic without compromising the quality or safety of the product. It is formed by:

48% PP and 52% paper

It is microwave friendly, BPA and epoxy derivates free, with a certified analysis by the FDA.
