# ABOUT US

INTEGRAL SOLUTION

# ABOUT US

- We are a company founded in 2010 in the city of Bogotá D.C, Colombia. Since its inception we have as a basic premise the concepts of service and quality. Our friendly and very professional interaction with our clients and suppliers and the highest human expression in our collaborators.

## VISIÓN

We hope, in the year 2025, to become the Marketing company for packaging and packaging items with more experience, capacity and professionalism in advising, innovating and representing Companies.

## MISSION

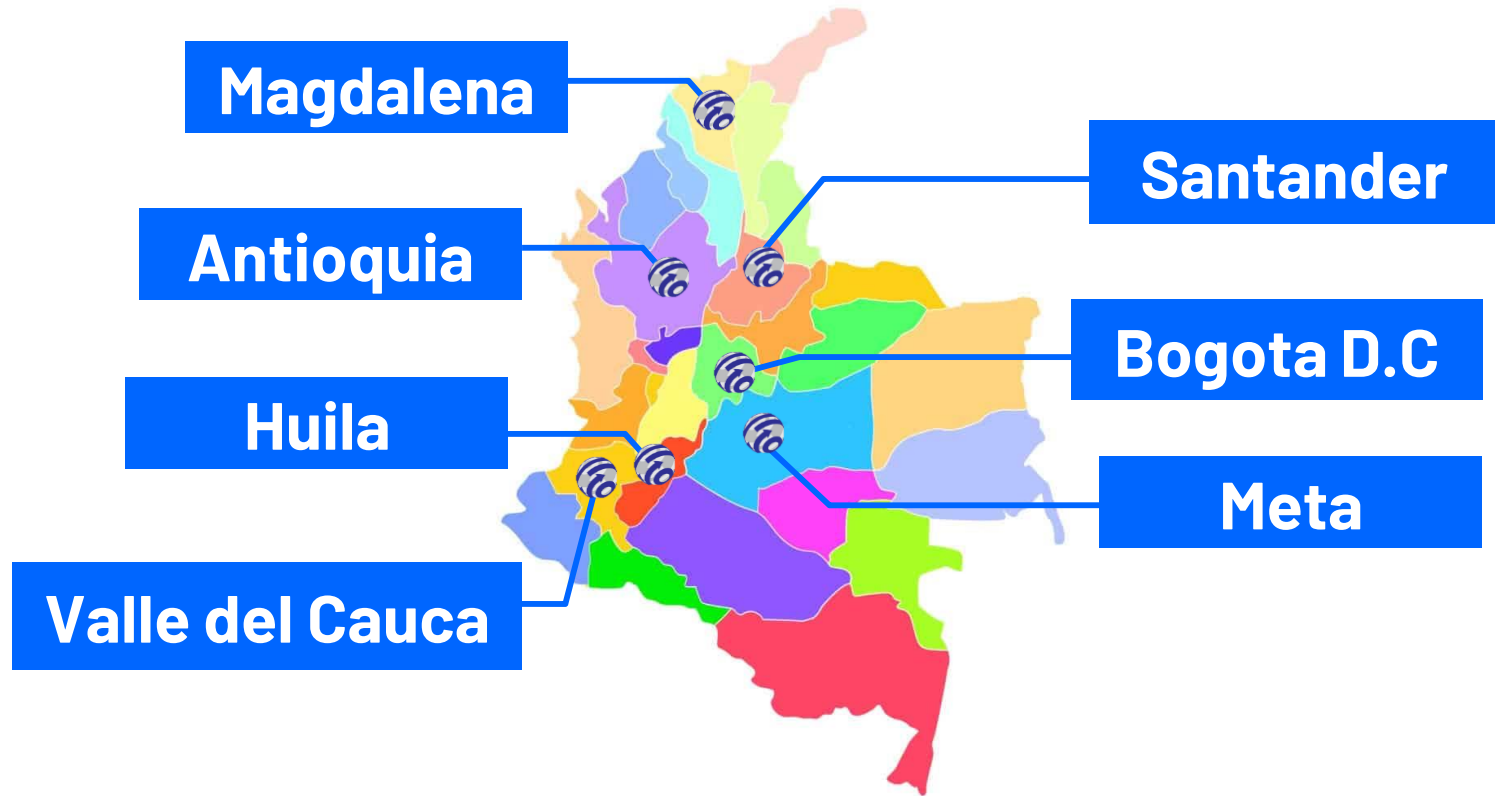

To be the most viable option for our clients always presenting a range of high quality and efficient products at a competitive price.

# ECO PROJECT

# ECOLOGICAL CAMPAIGN

Our campaign consists of reusing CORES OR CARDBOARD TUBES OR KRAF PAPER, for the performance of our corporate purpose.

In this way we hope to reduce the consumption of CELLULOSE and thus conserve forests and water resources to our measure.

With your support and your contribution we help the planet.

For you, for me, for the future
