VISION

By 2022, be recognized by our stakeholders as a competitive company that meets the needs of the world food market through quality management

MISSION

Procesadora Perú S.A.C is a company that responsibly develops agro-industrial products by continuously improving its processes, always taking care of the needs of its customers, collaborators and the environment.

Facility

Procesadora Perú SAC is located at the North of Perú in Chiclayo city. Our position is strategic having equidistant to our main raw material suppliers and production field.

Procesadora Peru SAC has over 300 collaborators and a frozen capacity of 2000 Kg / per Hour.

Our Port of loading is Paita Port, 4 hours away from our facility.

Our commitment is the improvement of our process and for the 2020 our facility has a BRC Double AA certification.
