Trampoline

The **Canguri** trampoline was designed to ensure the joy and fun of children at children's parties, events, in the backyard of your home and much more! It is produced with selected materials to ensure maximum quality, durability and resistance to jumping. You can find the **Canguri** trampoline available in black heel canvas and colored heel canvas in different sizes. That way it is easy to choose the ideal size for your need!

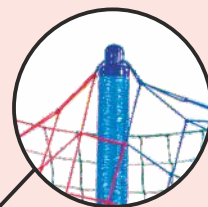

ISOTUBES

Armored and highly resistant to protect children and the trampoline.

TIPS

With rounded tips, made of polypropylene, to ensure more safety during the jump.

PROTECTION NET

Multicolored, made of polypropylene and 12 mesh, to provide greater security to the trampoline.

HEEL CANVAS

Made with superior quality materials, with excellent finish to prolong the life of the bouncing hop. In addition, it is easy to clean. It is available in black and four colors.

SPRING PROTECTOR

Totally colored, it is manufactured with special foam to avoid hurting users' feet. In addition, it is covered in bagunzito plus fabric, which makes it waterproof and does not absorb water.

LADDER

It is produced in galvanized steel and high-strength injected plastic, which allows a perfect fit for children's feet.

STRUCTURE

Produced in galvanized steel with a thickness of 1.55mm to give more resistance and stability to the equipment.
