PRODUCTOS

Leche En Polvo Entera Colonia Holandesa 25kg | SH: 40221

La Leche Entera en Polvo Colônia Holandesa 25kg se produce en la Unidade de Beneficiamento de Leite (Unidad de Procesamiento de Leche) en Castro/PR/BRAZIL. Elaborado con leche fresca, de productores de leche en la mayor y mejor lechera del país, aportando así el valor nutritivo y la calidad de una leche sabrosa, combinado con la practicidad de un producto de fácil almacenamiento. Al ser una rica fuente de proteínas y calcio, está indicado para quienes buscan estar en forma para el día a día, además de ayudar a regular el sistema nervioso y aumentar la resistencia a las infecciones. También es ideal para aquellos que buscan un sabor más intenso y con cuerpo. El más avanzado sistema de producción, combinado con la alta calidad de la materia prima, dan como resultado una vida útil de 160 días, superior a la media del mercado.

Modo de conservación

Sin necesidad de refrigeración. Una vez abierto consumir antes de 30 días.

ADVERTENCIA IMPORTANTE

Este producto no debe usarse para alimentar a niños menores de 1 (un) año, a menos que lo indique específicamente un médico o nutricionista. La lactancia materna previene infecciones y alergias y debe continuarse hasta que el niño tenga 2 (dos) años o más.

Registro en el Ministério da Agricultura (MAPA)

SIF/DIPOA bajo el N° 0143/3145.

Ingredientes

Leche entera. SIN GLUTEN.

ALÉRGICOS: CONTIENE LECHE. CONTIENE LACTOSA.

PRODUCTS

Whole Milk Powder Colônia Holandesa 25kg | SH: 40221

Whole Milk Powder Colônia Holandesa 25kg is produced at the Unidade de Beneficiamento de Leite (Milk Processing Unit) in Castro/PR/BRAZIL. Made from fresh milk, from milk producers in the largest and best milk pot in the country, thus bringing nutritional value and the quality of a tasty milk, combined with the practicality of an easy-to-storage product. As it is a rich source of protein and calcium, it is indicated for those seeking to be fit for the day, in addition to helping to regulate the nervous system and increase resistance to infections. Also ideal for those looking for a more intense and full-bodied flavor. The most advanced production system, combined with the high quality of the raw material, result in a shelf life of 160 days, higher than the market average.

Conservation mode

No need for refrigeration. Once opened, consume within 30 days.

IMPORTANT WARNING

This product should not be used to feed children under 1 (one) year old, unless specifically instructed by a doctor or nutritionist. Breastfeeding prevents infections and allergies and should be continued until the child is 2 (two) years or older.

Registration with the Ministério da Agricultura (MAPA)

SIF/DIPOA under No. 0143/3145.

Ingredients

Whole milk. GLUTEN-FREE.

ALLERGIC: CONTAINS MILK. CONTAINS LACTOSE.
