About Us

HACIENDA
Flor de los Ríos

Hacienda Flor de los Ríos is a company engaged in the production and export of exotic fruits. We began doing business in Ecuador in 2010 to market our own crops that are cultivated in the coast of Ecuador. Additionally, we also have network partners in other regions of Ecuador from whom we can procure a diverse portfolio of high quality products.

Our compromise is to provide with "Premmium" fruits that are cultivated in Ecuador to costumers around the world.

We look forward to serving you!
