HOW DO WE DO IT?

COLLABORATIVE SYSTEM

TOGETHER WE ARE STRONGER

Each project has different needs, we work with a collaborative system in which apart from our In-House team, we add different professionals specially selected for your project.

VIDEO

OUR METHODOLOGY.
THIS IS HOW WE WORK

SCRIPT

We organize the idea and we write the text.

CAST AND LOCATION SOURCING

We look for actors/models and the right locations in order to complement the story/script.

ANIMATION

We give life to the video.

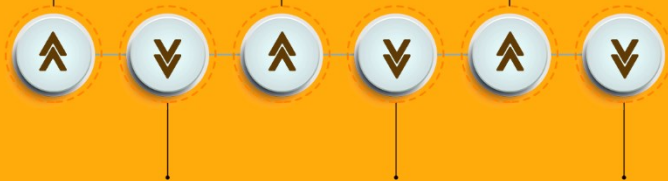

STORYBOARD

We Design the story and its characters

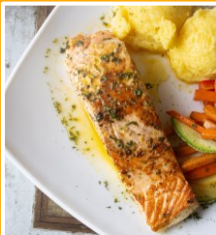

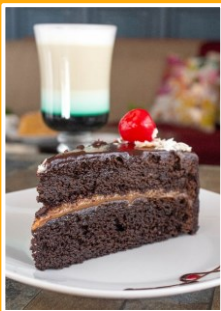

SHOOTING POST PRODUCTION

We record with our super team

Music, effects... ¡The perfect finish!
