

# Global Strategic Trade & Sourcing Solutions

Multi-Sector Portfolio

## COMPANY OVERVIEW

As a premier trade firm, RBS Export acts as a high-performance commercial extension for Brazilian producers. We specialize in structured global expansion, connecting high-quality local products with the specific procurement needs of international importers.

1

### Turnkey Solution

Providing a seamless door-to-door import execution and market-entry infrastructure for global B2B buyers and sellers.

---

2

### Our Role

High-performance commercial extension for Brazilian producers to international markets.

---

3

### Operational Presence

Strategically located in **São Paulo, Dubai, Beijing, Miami, and Atlanta.**

# Arabica Coffee

## Premium Arabica Coffee

### Quality Grading:

Exclusively representing coffees with specialty scores of 85+ points, including a premium selection of ultra-specialty lots scoring above 92 points on the SCA scale.

### Product Formats:

Available as green beans (export grade) with full origin traceability or roasted profiles for high-end retail and private labels.

### Sustainability & Certification:

Products carry essential seals such as Organic (EU/USDA), Fair Trade, and Rainforest Alliance to meet premium market demands.

I. SPECIALIZED COFFEE & SWEETENERS

# Premium Sugar Portfolio

We offer versatile supply solutions for premium sugar, available in both **bulk** and **bagged** formats to meet specific international logistics and storage requirements.

## Refined White Sugar (ICUMSA 45)

The world's leading high-purity refined sugar.

## Extra White / Pharma Grade (ICUMSA < 45)

Ultra-high purity sugar for specialized pharmaceutical and gourmet industrial applications.

## II. PREMIUM BEEF

# Premium Beef Portfolio

Representing the Young Calf, Origin, and Barbecue lines, we offer superior Brazilian beef defined by tenderness, juiciness, and rigorous quality selection.

### Young Calf Line

Premium cuts including Picanha (Medallion/Sliced), Ribeye, Striploin, Tenderloin, and Rump Steak.

### Origin Line

Exclusive selection for demanding palates, featuring Tenderloin, Picanha, and Heart of Rump.

### Barbecue & Day Lines

Authentic Brazilian barbecue cuts (Hump Steak, Flank Steak) and practical, everyday solutions like ground meat in Modified Atmosphere Packaging (ATM).

### Technical Standards

Chilled storage (0°C to 7°C) with a 60-day shelf life.

# Brazil's Agribusiness

Brazil is a global powerhouse in agribusiness, and RBS Export provides direct access to large-scale, high-compliance production.

| Product        | Standard / Specification        | Key Advantages  |
|----------------|---------------------------------|---|
| Cotton         | International Grade 31-4 (USDA) | High strength/uniformity; BCI sustainability standards.     |
| Soybeans       | Export Grade / Large Scale      | Competitive pricing linked to global benchmarks.            |
| Corn           | Yellow Maize                    | High-volume supply capacity via major export corridors.     |
| Pulses         | Multiple Bean Varieties         | Stable supply for Middle Eastern and Asia.                  |
| Oats & Sorghum | Premium Feed/Industrial Grade   | Reliable sourcing for food and animal nutrition industries. |

VI. PREMIUM FOOD

# Premium Cassava

Leveraging 100% natural raw materials and a turnkey manufacturing process, we offer high-performance **private label** partnerships tailored for international retailers seeking premium health-conscious products.

## 25 Years of Excellence

Supplying global giants like **Carrefour** and **Pão de Açúcar**.

## Ready-to-Cook

Vacuum-sealed and deep-frozen with a **1-year shelf life**.

## Variations

Stick-cut (Palito), steamed cubes, and gourmet cheese-filled medallions.

VI. PREMIUM FOOD

# Açaí Sorbet

Our **private label** food portfolio focuses on 'Clean Label' trends, health consciousness, and authentic Brazilian flavors.

## Specialist Manufacturing

Creamy texture without ice crystals; high fruit concentration.

## Global Presence

Currently exported to **9 countries** including the U.S., Switzerland, Japan, and Qatar.

## Product Lines

Traditional with Guaraná, Zero Sugar, and unique blends like Açaí with Date Fruit.

## Certifications
