SUNRISE AT TONGARIKI

DESCRIPTION

Begin your day with one of the most unforgettable moments in Rapa Nui, as **the first light slowly rises behind the fifteen moai of Ahu Tongariki.**

This experience is designed to **slow down, take in the silence, and simply enjoy the magic** of sunrise in one of the island's most powerful landscapes. We will pick you up from your accommodation and accompany you to Tongariki, timing the departure according to sunrise so you can arrive early, find your place, and enjoy the moment without rushing.

Unlike our full tours, where we explore the history, archaeology, and cultural meaning of Rapa Nui in greater depth, **Sunrise at Tongariki is about feeling the place: the changing colours of the sky, the ocean, the silhouettes of the moai, and the unforgettable moment when a new day begins.**

For our Small Group and Private experiences, hot coffee and tea will be waiting for you, together with a light morning snack to enjoy as the island wakes up, before returning to town for breakfast.

A peaceful, inspiring, and memorable way to start your day in Rapa Nui.
