rolymex.com

ROLYMEX is a trading company based in State of Mexico. We are specialists in the sale of fresh or processed food products.

We had a wide variety of presentations of each product and we offer our customers an optimal service, in compliance with quality standards and good practices.

Our Mission is to market quality Mexican products that meet and/or exceed the expectations or standards of our customers, maintaining a high commitment to them and to our producers.

MEXICAN ORGANIC HONEY

INGREDIENTS

Honey Bee with honeycomb

HONEY WITH HONEYCOMB

DESCRIPTION OF THE PRODUCT

This premium mexican honey has a very characteristic flavor, product of the great variety of species that contribute their flavors and aromas of flowering. Honey is a substance mainly made up of sugars (fructose and glucose).

The honeycomb is the perfect gift, since few people have tasted this delicacy. 100% natural organic. Without added sugar, it can crystallize due to its natural and raw origin.

MULTIFLORAL HONEY

ORIGIN

Mexico

CERTIFICATIONS

DESCRIPTION OF THE PRODUCT

Organic honey is pure bee honey, which, due to the way in which the hives are cared for and the place where they are located, guarantees that it is free of any contaminating agent and that is why we have certifications. Wild flowering gives our LIQUID MULTIFLORAL honey with a unique sweet and floral flavor that you have never tasted before. In addition to being 100% pure bee honey, our honey is ORGANIC.
