Crew Management (Manning)

We aim to provide high standard quality crew to principle owners in the global scenario and to reach to the maximum Ship owners / Management throughout the globe. We provide quality crew to our customers so that they can concentrate on other aspects of ship operation with ease. We manage the dedicated Human Resource Department with dedication on behalf of our customers. We offer total crew management for all ranks, for all types of vessels and Rigs around the world. We also supply experienced Divers for any kind of work. We ensure good coordination between the Crew, Owner and Management. We select best Indian crew, which have got good reputation and demand in international market in Shipping Industry. We select crew holding STCW-95 Convention Certificate and Valid License and are fluent in International Languages.

We have legitimate database of professional Seafarers, from which we select appropriate candidates as per requirement of our Principle Owners. The CV's of candidates are thoroughly screened by checking past employment reference, we also check their Competency Certificates and STCW courses. We scrutinize CV's and then we forward same to our Principle Owners for their ready reference and approval.

No enterprise can operate without quality staff. Our Crew Management is operated by highly experienced and motivated personnel with a deep sense of integrity. Thereby ensuring that we achieve the high benchmarks we have set ourselves and as expected from our clients.

We put our utmost efforts to provide quality of crew management service to all our ship owners around the world in accordance with modern technology.

Technical Management

SEALLIANCE provides full Technical Management services to a fleet of many vessels around the world. Our highly trained teams ensure that these vessels are operated in safe, reliable, efficient and compliant methods. Our skilled technical teams monitor vessel performance and condition through regular reporting from the ships and detailed on-board inspections. We provide technical management service to all kind and size of vessels around the world.

Our Ship Energy Efficiency Management Plan is recognized as one of the most detailed in the industry. This ensures that owners get the greatest value from their assets which are fully maintained, surveyed and audited to comply with all national and international legislation. Our integrated ship management software includes a modern Planned Maintenance System which allows cost effective planning of maintenance work and planning of spares purchases.

Detailed running cost reports are prepared to ensure that owners are kept fully informed of the financial position, and regular meetings are held with owners to discuss both the technical and financial aspects of the vessel performance.

This also allows us to propose upgrades to owners in order to comply with future legislation and maximize efficiency.

Management of the supply of stores and spares in a prompt and economic manner is one of the keys to good management.

We constantly audit our procedures in order to ensure that the highest operating standards are maintained. These services include arranging and supervising of dry dockings and repairs, alterations and the maintenance of the Vessel to the standards agreed with the Owners, arranging the supply of necessary stores, spares, lubricating oil, other consumables used by vessels, vessel inspection, budget control and many other things without which cost-effective and profitable exploitation of the vessel is simply impossible

Our worldwide purchasing network is also ideally placed to maximize leverage of our buying power to obtain significant discounts.

Commercial Management

Commercial Management encompasses the various modes of vessel's employment on behalf of the owner, either on time charter (bareboat) or voyage charter basis, from spot to period employment.

SEALLIANCE holds the sole responsibility for the day-to-day commercial management in a prompt and cost effective manner.

SEALLIANCE competitive areas of expertise focus on negotiating and concluding periodic charters for vessels of all types. The continuous analysis of market trends and close watch on emerging opportunities in a rapidly changing environment allow it to offer up-to-date advice to customers.

Activities in the Sale and Purchase market consist of broking services for the sale and purchase of second-hand vessels, as well as the placement of new building contracts with shipyards.

Ship Breaking/Ship Recycling

SEALLIANCE is also a part of prestigious Ship Breaking and Recycling Industry.

Our Ship Breaking Team follows well defined policy designed to ensure all its associates highest possible standards in every aspect of business activities.

We have our base office at Darukhana in Mumbai and also have our Ship Breaking partner's offices in various major ships breaking hub in India like Alang in Gujarat. Our team also has the Shipyard in Darukhana and Alang. Our Syndicate consists of very highly reputed personalities from the ship breaking industry who are involved in this industry from more than five decades.

We have highly skilled labors in vast majority to carry out the ship breaking process with ease and security. We provide all the major security equipment's to our labors for their safety as per industry standards.

Our Objectives:

- Safeguard the interest of our clients.
- Maintain ethical relationship with clients & competitors.
- Provide equal opportunities for our employees.
- Provide safe and healthy working environment for our employees.
- Maintaining Highest Ship Breaking Standards.
- Highest Safety Standards to our Labors.
- Maintaining Eco Friendly Environment.
- To also provide Ship Salvaging Support to our clients.

Our syndicate also consists of cash buyers in Mumbai and Alang. We are specialized in breaking any kind and size of ships with outmost safety standards and skilled workers.

We are also registered with one of the prestigious and oldest ship breaking and recycler association in Mumbai known as DARUKHANA IRON STEEL AND SCRAP MERCHANTS ASSOCIATION (DISMA) based its head office in Darukhana.

We emphasize and assure fullest support, trust and reliability with our valuable clients.

Logistics & Support
